

LOISR STAFF
1963

LAKE OF ISLES

HEADED FOR GREAT 1963 CAMP SEASON STAFF APPOINTMENTS ANNOUNCED

This season should prove to be the best in the long history of summer camping in the Charter Oak Council summer camps.

We will also have one of the finest staffs in camp.

Arnold Schofield, East District Executive will again be the Reservation Director. Carl E. Bovay, Manitick District Executive will serve as Associate Director. District Executives Leonard Thompson, Farmington Valley and David Hebert, Capitol will serve as Camp Directors of the two camps.

This year we were fortunate in securing our two chefs from last year. James Lee will be in Apache and Gilbert Mackintosh will be in Pequot.

There will also be some new faces on the staff. Mr. Roy Nierendorf of Hartford will be one of the Waterfront Directors. Mr. Nierendorf is the Guidance Counsellor at Bulkeley High School. Mr. Forrest Todd from Newburyport will be our Sailing Instructor. Mr. Harold Russell from Newington will be in charge of the Rifle Range.

This year we have a more mature staff than ever before. Serving on the Reservation Staff will be: Dr. Harold S. Barrett, our Resident Physician. He will be assisted by Mrs. Doris Salstead, our nurse. Christopher Preu, Scott Tucker, Gerald Paul and David Baggish will be our First Aid Men.

Robert Amodio and Michael Cohen will man the Reservation Office. Serving on the Quartermaster Corp with our Ranger Ernest Plude will be Donald Cunningham, John Viets, Fred Arnold and William MacKay.

NEW FACILITIES NOW READY FOR SUMMER PROGRAM AT L.O.I.S.R.

This year we will have some additional program facilities at the Lake of Isles. A new Program Shelter is being erected in each camp. These buildings will serve as Study Areas, Rainy Day Program Areas and Handicraft Areas. This winter they will be used for camping. A new shelter is going up in the Nature Area for use by that group.

We will also have two new Trading Posts which will cut down on the congestion around the Camp Director's Office.

With our new program facilities and the talents which our staff have to offer, the 1963 season at the Lake of Isles should be the best ever!

Check with your Scouts and make sure they take advantage of this opportunity.
