When
Your Work
Speaks for Itself,
Don't
Interrupt.

*Finish every day and
be done with it.
You have done what you could.
Some blunders and absurdities
no doubt crept in;
forget them as soon as you can.*

*Tomorrow is a new day;
begin it well and serenely
and with too high a spirit
to be encumbered with
your old nonsense.*

*This day is all that is good
and fair.
It is too dear, with its hopes
and invitations,
to waste a moment
on the yesterdays.*

--Ralph Waldo Emerson
